Retiring Councillors Re-elected Recount Requested

An extremely close poll in last Saturday's election resulted in the re-election of Labor endorsed Crs. J. J. Ginifer and S. G. McIntosh and the Ratepayer Representative Cr. W. L. J. Crofts.

However, one of the Labor Candidates, Mrs. M. Evans, has requested a recount.

Application for the check of votes has been made to the Stipendiary Magistrate of Williamstown Court, Mr. J. E. Kean. He will nominate the date and place for the re-count, which will be carried out in his presence.

The poll has been declared by the Returning Officer, Mr. J. W. Waters, and the elected councillors will carry out their duties at least till such time as the recount is made.

In the largest Altona council poll to date, Cr. Ginifer led Cr. Crofts by 121 votes. And after distribution of preferences gained the first vacancy by 376 votes.

Cr. Crofts filled the second vacancy and Cr. McIntosh the third.

Mr. Waters advises that the basis of the request for a recount was the possibility of votes being incorrectly rejected as informal and the necessity for a further check of previously accepted ticket votes.

Ticket votes are the votes cast exactly as candidates how to vote cards advise.

He also mentioned that in his 25 years as a Returning Officer in various elections, this is the first time a re-count has been requested.

Under 12 Hockey Champions

Proudly displaying their two 1966 premiership flags are the players in Altona's victorious Under 12 hockey team. One flag is for the Northern Zone premiership after which the team went on to defeat the winners of the Southern Zone, St. Kilda, and become premiers of the whole metropolitan area which, for hockey, stretches from Dandenong to Altona.

The players are—(left to right) BACK ROW: John Mallett, Irwin Kapelis, Anton Golacki, John Trickey (captain), Peter Grant, John Forrester and Greg Richardson. FRONT: Steven Jensen and Ian Collins on the right. (Missing from the photo are Garry Studley and Bruce Cronin.) Steven Jensen and Greg Richardson were selected to play in the Victorian Under 12 team which is playing a series of matches during the school holidays.

SHIRE OPPOSES FUN PARLOUR

Altona Shire Council will strongly oppose what appears to be a proposal to establish an amusement parlour in Harrington Square.

Two residents from other suburbs have notified the council of their intention to open a furniture store and slot car racing centre in the premises which at present are occupied by the self-service grocery store in Harrington Square.

Senior Health Inspector, Mr. J. Mellors, advises that the supervision of such places of amusement has been delegated to councils.

At the last council meeting he recommended that the slot car racing centre should be treated under the category of public buildings and the council insist on adequate toilet facilities for both sexes and the construction of a fireproof wall between the shop and the slot car racing centre.

Cr. G. den Dulk suggested that on the face of it, the proposal may not look too bad, but the council has already found one amusement parlour undesirable and he urged that the proposition be strongly opposed.

He pointed out that the council is attempting to provide facilities for all ages, but he feels this would fall into the undesirable category.

His remarks were endorsed by Cr. W. G. Cresser, who remembered the experiences when the amusement parlour was open in Pier Street. Police were called to the shop nightly, trouble spilled across the road to Trogon Reserve and in fact the place was a den of iniquity concluded Cr. Cresser.

Kinder. Breaking

The Altona North police station is still about two years away. This is the opinion of police stationed at the Kingsville station which covers the Altona North area.

It was revealed in a letter to the council reporting on a recent breaking into the Ronald Avenue Kindergarten in Altona North.

Kingsville police advise they are patrolling this area as often as possible and are endeavouring to keep an eye on any suspects in the area.

VOTING DETAILS

Total votes cast last Saturday were 23,292, which represents 72.8% of the possible number of votes—31,977.

This is just a slight improvement over the ordinary election in August last year when the percentage was 71.4%.

However, the small gain was more than offset by the increase in informal votes—from 11% to 13%.

Cr. J. J. Ginifer obtained 9721 first votes—about 1% more than Cr. W. L. J. Crofts with 9600.

At last year's elections Cr. A. W. Boud headed the Labor ticket and obtained 64% more votes than his first opponent, Mr. D. Weybury.

An examination of the results from each polling booth shows the same general trend—sometimes to a greater, and sometimes to a lesser degree—a swing away from the Labor vote.

Whereas in the 1965 elections, all booths showed substantial majorities for Labor, this year this was not so. In four of the seven polling booths the Ratepayer Candidate led the voting.

Most notable change was the result in Altona East where the 1965 majority of 976 votes for the Labor Candidate changed to a Ratepayer lead of 83.

Out of 3700 votes cast at the Altona Primary School the Ratepayer Candidate led by 638.

VOTING INEFFICIENCY

Out of every possible 100 votes 32 favoured the Labor Candidate, 31 favoured the Ratepayer Candidates and the remaining 37 were not used or were wasted by being informal.

The council should give serious consideration to this situation.

When enrolling, first year voters could be issued with a brochure explaining voting procedure.

Penalties for non-voters could be enforced as the council decided to do last April.

CARS BROKEN INTO AT WEDDING

Police are investigating the theft of a ladies coat, stole and transistor radio from cars parked outside the Altona Youth Hall in Civic Parade last Saturday night.

Owners were attending a wedding reception in the hall.

Petrol was stolen from five of the cars and rear vision mirrors were removed from the vehicles.

Grant By-Election October 8

An election to fill the vacant Legislative Assembly seat of Grant will be held on Saturday, October 8. Nominations close on September 21.

The by-election follows the death of Mr. Roy Crick, who had held the seat for Labor since 1955.

Grant includes the whole of the Shire of Altona.

However, at the general State elections in the middle of next year Grant will go out of existence.

In the re-distribution of seats Altona will then be split between the Assembly seats of Sunshine, Williamstown and Gisborne.

STOP PRESS

Altona soccer team play Slavia in the quarter final of the Docherty Cup on Sunday, September 11, at Middle Park.

Ladies Team Reaches Final

For the second year running the above Altona tennis team has reached the finals of the ladies winter pennant competition. Last year they finished the season premiers of the B Grade Zone, which includes teams from Werribee, Sunshine, Yarraville and Williamstown.

Ladies in the team are—(from left to right) BACK ROW: J. Burke, T. Gunn, S. Adcock and G. Cronin. SEATED IN FRONT: M. Walker and on the right L. Hutton.

In the first semi-final for the 1966 title the team will play at Werribee on September 13 against the number two team from their own club.

(Photo by Barry Sutton—65-6017.)

EDITORIAL

CONGRATULATIONS

We feel we are speaking for the great majority of the people of Altona when we offer our congratulations to the successful candidates, Councillors J. Ginifer, W. L. J. Crofts and S. G. McIntosh.

Even those who voted against one or other of them realise their worth.

Though the successful candidates had different viewpoints and were opposed, in the essential aspect they were of one mind.

They have in common a desire to serve Altona and further the progress of the Shire.

We congratulate them first for their standing for these positions of honour and responsibility.

And we also congratulate them that they have been found worthy in the eyes of the electors.

The three years for which these councillors have been elected will be vital years in Altona.

Those years will probably see the commencement of the Explosives Reserve development and other progress in Altona West. They could see greater build-up of manufacturing industry. They could see drainage and sewerage plans accomplished and beautification of Cherry Lake and other areas a reality.

These things and the continuance of service of highly efficient standard are in the province of the new and old councillors.

They have for this service in a real sense been selected by the ratepayers.

INDOOR BOWLS CHAMPIONSHIPS

Tomorrow night, September 2, will be another big night of indoor bowls activity at the Altona Working Men's Club.

The final rounds of the champion of champions series for the North-West Area of the Victorian Indoor Bias Bowls Association will be played.

Sid Burgess will be representing the A.W.M.C. in what promises to be keenly contested games. An estimated attendance of 100 bowlers and visitors from the 10 clubs in the area is envisaged. A good muster from this club is expected to barrack for Sid.

COUNTRY CLUBS VISIT BIG SUCCESS

Last Saturday country clubs of the V.I.B.B.A. visited Altona and bowled against the metropolitan clubs.

Ninety-six bowlers from Colac, Morwell and the metropolitan area played on 12 mats. This club entered five teams, but only one (captained by Jack Gore) came anywhere near winning trophies. They were unfortunate to lose on percentages after winning three games for the evening.

All present thoroughly enjoyed the evening of good bowling and that friendly club atmosphere in comfortable surroundings.

INVITATION TO VISIT COLAC

The Colac bowlers have now twice visited this club and have suggested it is time members of the A.W.M.C. visited Colac. The president and secretary of the Colac Club has extended an invitation to 10 teams of the club's indoor bowlers to visit Colac on Saturday, September 10.

Information regarding this visit, including a list for names of those intending to go to Colac, will be posted on the bowls notice board. Inquiries have also been made about hiring a coach for the trip. It can be done for \$2 per person return trip. It would probably leave about 2.30 or 3 p.m. and start on the return journey from Colac about midnight.

A definite announcement will be made at the home pennant bowls gathering tonight (Thursday). A party of 40 is required. 7th ANNUAL GENERAL MEETING

All financial members of the club are reminded that the 7th Annual General Meeting of the A.W.M.C. will be held next Friday, September 9. This annual meeting will be preceded by a special emergency meeting of all financial members to elect (under Rule 22 of the Constitution) two members to fill casual vacancies on the Management Committee.

This meeting, commencing at 7.45 p.m., will only deal with the election of the two members. Nominations for these positions close at 4 p.m. on Thursday, September 1 (today) as per the notice on the club notice board.

Membership cards must be shown to stewards at the door.

EUCRE CARD NIGHT

The next card night is this Saturday, September 3. Donation is 30c, supper provided and excellent and handsome prizes.

PRE-FOOTY FINAL DANCE

The next monthly dance on Saturday, September 17, is getting close to the football final. The dance committee has decided to mix footy fever with the dancing rhythm.

It has also been decided to make a charge of 60c and patrons are to bring their own basket supper. The club provides tea only.

EDUCATION WEEK

IMPORTANT DISCUSSION

An important feature of Education Week was a discussion on education held in the civic hall.

It was well attended by those interested in the care of our young people. The chairman was Mr. J. S. Crocker, staff inspector of the Education Department.

A panel of four speakers addressed the meeting, each dwelling on a particular aspect of education. Later in the evening opportunity was given to question the speakers.

Following is a brief resume of the speakers remarks.

HISTORY OF EDUCATION

Education Week in Altona was an exciting and enlightening project for such a young community said Mr. Richard Belshaw, a student counsellor of the Royal Melbourne Institute of Technology.

Tickets are now available—members and friends, please get your tickets early.

THAT BEETLE DRIVE

Tickets at 30c each, including refreshments, are available from Alice and Joyce Yates for the new innovation to club activity—a Beetle Drive—on Friday, September 16.

In answer to many innocent inquiries you do not start collecting beetles now. That is done on the actual night and then you only draw them on paper provided by the beetle drivers—it's simple, interesting and good fun—but you must be in it to win it.

ACCENT '66

The speaker tonight, Thursday, September 1, will be the Rev. Andrew McCutcheon, of the combined Methodist-Presbyterian Parish of Collingwood-Abbotsford.

He will speak on the subject of the church in the inner suburban areas, giving particular emphasis on the "high-rise" flats and their associated problems.

This is the first of the September series of Accent '66. The lectures will be delivered at the Newport Presbyterian Church, Challis Street, Newport, each Thursday of this month.

Anyone interested is invited to attend and to feel free to ask questions and participate in Accent '66.

SHOP CLOSURES AFTER 28 YEARS

After 28 years of service to the public the shop known as Seaholme Dairies has closed its doors.

The late Mr. P. C. Green built the shop at 31 Millers Road and conducted the business until his death in January this year.

His wife, Mrs. E. Green, and her two sons, decided that as from today, September 1, the business would be discontinued.

Altona Elderly Citizens

Please note the social committee will meet at 1.30 p.m. on Monday, September 5.

Sixty members attended the birthday party last week. The birthday cake was cut by 82-year-old Mrs. Aitkin. Many members were welcomed back after recovering from sickness.

Last week 74 members went to Kardinia Club at Geelong. After lunch they attended a concert, followed by afternoon tea.

MORE ACKNOWLEDGMENTS

The club wishes to acknowledge the following donations to their fund for the bus—

Mr. Barry Sutton	\$4.50
Mrs. Brennan	\$1.00
Mrs. Brooks	\$3.00

HARDEN-GIBSON WEDDING

It was a pretty and unusual sight in the bright sunlight last Saturday afternoon when bride **Lynette Gibson** and her four maids walked around the corner from the home of the bride's parents in Blyth Street, Altona, to the Baptist Church for her marriage to **Mr. Lael Harnden**. Photo by Roper Studios, 314-5360.

The bride was overwhelmed by the number of people, including many friends and hairdressing clients, outside the church. The Rev. R. J. Reynolds interrupted his holiday to come back and officiate at the ceremony.

The bride, who is the only daughter of Mr. and Mrs. H. Gibson, wore an A-line white velvet gown trimmed with pearls on the bodice and with fur cuffs on the long sleeves. Her gown had a long detachable train and her three tiered full length veil was held by a fur head-piece. She carried a bouquet of azaleas and hyacinths.

Two friends, **Maureen Noonan** and **Yvonne Marlow**, and two cousins of the bride, **Barbara Ronkavich** and **Ann Graham**, were bridesmaids. They also wore velvet A-line frocks, but they were red velvet with a double panelled back trimmed with a beaded velvet rose. They carried white fur muffs, also trimmed with a red velvet rose.

The groom is the elder son of Mr. and Mrs. G. Harnden, of Champion Road, Newport. Best man was Ken Newland and the groomsmen were Ray Newland, Harold Shaw and the groom's brother, Brian Harnden.

The mother of the bride wore a light blue three-quarter coat over her matching skirt, which was topped with a pale blue brocade overblouse trimmed with navy blue bead fringe. Her accessories were navy, too.

The groom's mother wore a dull gold frock and matching coat which had a fur collar and brown accessories.

More than 140 guests, many from country and interstate, attended the reception in the Altona Youth Hall.

The bride was particularly happy that her grandmother, Mrs. E. Davidson, of Port Melbourne, who has been seriously ill, was able to be present for the service and reception.

Mrs. Davidson and her late husband were one of the first couples to settle in Altona and opened the first service station in the district—the one at the corner of Sargood and Blyth Streets.

When Lynette threw her bridal bouquet it was caught by bridesmaid Maureen Noonan, who presented it to her grandmother.

Guests at the reception were entertained by radio and television stars among the guests. The two Newlands in the bridal party with their sister as the Newlands Trio.

The groom's brother, Brian, is one half of the duo "Chris and Pat" who have appeared on a number of shows.

The Wootton Brothers, another

well-known combination, were also among the guests.

Mr. Dick Graham and Mr. J. Newlands shared the honour of proposing the toast to the bride and groom.

Family friend of many years, Mr. Bill Noonan proposed the toast to the bride's parents and Mr. J. Newlands for the groom's parents.

A guest of both families, Mr. Bob Matthews, was master of ceremonies.

The beautiful wedding cake of five pieces, arranged in three tiers, was the work of the bride's mother as was all the bride's and bridesmaids frocks and her own ensemble. The cake was trimmed with roses and orchids and a miniature wedding party climbed stairs on the cake.

When the couple left the reception the bride wore a daffodil yellow Italian wool lace frock topped with a matching coat trimmed with brown fur, brown accessories and a yellow hat. They are spending their honeymoon in Adelaide.

SPASTIC AID APPEAL

September is known throughout Victoria as "Spastic Month."

An all-out effort is being made by the local committee to publicise the need for financial assistance for the 14 local spastics, both adults and children, who daily attend Chis-Lon.

The committee is proud of the constant help received locally.

So far it has been able to pass on to Chis-Lon \$7000. This does not include the sale of "Forget-me-Nots" or tickets for the huge Christmas Stocking last year. \$414 worth of tickets were sold in and around Altona and district.

Last year \$76 was handed in for the sale of "Forget-me-Nots."

"Forget-me-Nots" are again available.

Through the kindness of Mr. Somers and staff at the National Self-Service, another huge stocking will be on show from next Saturday. Tickets are already being sold.

On Wednesday, September 14, Eve Gwendoline, of 76 Railway Street, will stage a Spring Fashion Show in the Civic Hall, Civic Parade, at 8 p.m. Admission is 50c and supper will be provided.

To those who continually support the committee's work, members express their sincere thanks and to those who would like to help a phone call to the secretary, Mrs. L. Oakes, 9 Upton

MEETINGS

ST. EANSWYTHE'S LADIES GUILD

The monthly meeting of the St. Eanswythe's Church of England Ladies Guild will be held on Wednesday, September 7, at 8 p.m., at the home of the president, Mrs. Lamb, 14 Cain Court, Altona. The speaker will be from the Church of England Deaconess House in Melbourne and will be on the work they do in training students.

ALTONA HIGH PARENTS AND CITIZENS COMMITTEE

Owing to the school holidays the monthly meeting will not be held on the first Monday in the month as is usual, but will be held on Monday, September 12, at 8 p.m., at the school.

The School Bazaar and Careers Night will be on the agenda and all interested parents and citizens are urged to attend.

ALTONA NORTH PRIMARY MOTHERS' CLUB

Members are reminded that, owing to school holidays, the next meeting will be held at the school on Monday, September 12, at 1.30 p.m. An "apron competition" will be held and everyone is asked to bring along their best effort.

On Saturday, September 24, a dinner-dance will be held at the Central Hotel, Millers Road, Altona North. This is a joint effort by the School Committee and Mothers' Club and it is hoped that parents and friends will take the opportunity to help the school and have an enjoyable evening at the same time. Ticket inquiries can be made to Mrs. Heather (391-4507) or Mrs. Cox (391-3935), or you can direct your inquiries through committee or Mothers' Club members. DO COME AND JOIN IN THE FUN.

LAVERTON PROGRESS ASSOCIATION

The annual meeting of the Laverton Progress Association will be held on Monday, September 5, at the Memorial Hall, Railway Avenue, at 8 p.m.

At this meeting the balance sheet will be presented and all office-bearers will be elected.

WOMAN'S CHRISTIAN TEMPERANCE UNION

A meeting of the Woman's Christian Temperance Union will be held on Monday, September 5, at 2 p.m. in the Baptist Youth Hall in Sargood Street.

Bring a gift, buy a gift and competitions. All ladies are welcome.

NEW SEASON FOR FILM SOCIETY

The Altona Film Society's new season commences on Thursday, September 8.

The first screening will be "Under The Yum Yum Tree." This comedy stars Jack Lemmon as a libertine landlord, who rents his apartments only to pretty girls. However, hilarious things begin to happen when a girl, trying to have a platonic relationship with her boyfriend, moves in.

The screening will take place at the Civic Hall at 8 p.m., and all new members are welcome.

KOORINGAL ASSOCIATES

18 HOLE STROKE

A Grade: Mrs. Sandilands (16), 76 net, on a countback from Mrs. M. Spear.

B Grade: Mrs. J. Jolley (36), 74 net.

Putting on Round: Mrs. A. Hunter, 29 putts.

Monthly Medal: Mrs. J. Jolley.

Street, Altona (398-1138), would be appreciated.

A special meeting to discuss plans for the parade will be held at 9 Upton Street next Tuesday, September 6, at 1.30 p.m.

ENGAGEMENT

SKIDMORE-STEWART

Mr. and Mrs. S. Skidmore, of 62 Queen Street, Altona, have much pleasure in announcing the engagement of their eldest daughter, Janice Rose, to John Edward, elder son of Mr. and Mrs. A. J. Stewart, of Koraleigh, New South Wales.

MARTIN-ROBINSON

Mr. and Mrs. C. Martin, of 26 Cobham Street, Altona, have pleasure in announcing the engagement of their eldest daughter, Melanie, to Geoffrey Robert, only son of Mrs. B. Robinson, of 38 Blyth Street, Altona.

SOCIAL BOWLS

The opening of the green for the 1966-67 season will take place next Saturday, September 3, at 2 p.m.

The ladies season will open on Tuesday, September 6, at 1 p.m. Will ladies please be at the club early on both days to help with the catering.

Birthday greetings this week to Alice Ashman.

Congratulations on their wedding anniversary to Lillian and Steve Pilcher.

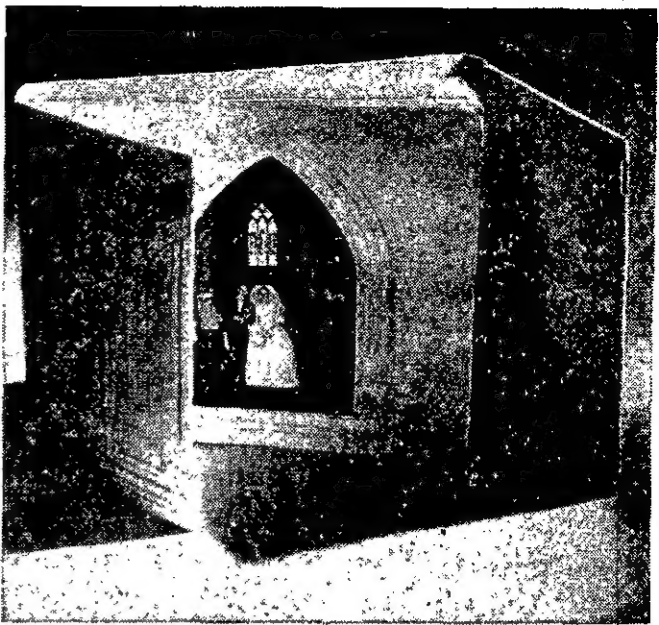

Cr. A. W. Bond "Launched"

Cr. A. W. Bond was "launched" from hospital last Thursday and is now out on "refit trials," although still confined to quarters at home.

He is on crutches, but, as yet, has not put his injured leg to the ground. If he continues to progress favourably it will be at least October before he goes back to work.

A Patient in Hospital

Mrs. J. Elliott, of the Gold Star Emporium, is a patient in Williamstown Hospital. She is recovering from surgery and expects to be home again soon.

"The Mikado"

Enthusiasm, exuberance and enjoyment in living are some of the attributes of youth—all of these were exhibited in the Altona High School's production of the Gilbert and Sullivan operetta, "The Mikado."

One cannot praise too highly the efforts of the teaching staff in channelling youthful high spirits into a show of this nature. Their studies may have suffered a little from attendance at rehearsals and a few late nights, but their education certainly has been extended to embrace new experiences, responsibilities, team work and self-discipline. We should be very proud indeed of our student population in Altona. During the run of the show particular credit must be given to those students who gave their time to usher, take tickets, sell programs and serve refreshments, these young people lent tone to the high school with their politeness and courteousness in carrying out these duties.

This year's performance of "The Mikado" was probably the most ambitious production to date and there were many noticeable improvements, particularly in the skilful grouping of the chorus on the small stage, the artistic set and excellent lighting effects produced by Jeremy Winfield, which gave quite a professional touch to the overall production.

Stephen Chatfield's Nanki-poo (the romantic lead) showed a sensitive grasp of the character and a natural acting ability, his voice, though not too strong, had sufficient of the lyrical quality to make his performance most convincing. Lorna McFarlane, who played opposite him, was perhaps a little self-conscious, but had a very sweet singing voice to compensate. Ron Lawson and Christine Styles played these roles on alternate performances and Ron was charmingly supported by the more experienced Christine.

Barry Hanock as Pish-Tush (the elder statesman) sustained the role of an elderly man very well and Pooh-Bah (Colin Simpson) was a suitable foil for Ko-Ko (Jim McEwan)—Jim has a very good stage manner, but his voice at times did not come across as it should, nevertheless his performance was most enjoyable. Hilja Toom and Leonie Stott were both delightful in their portrayal of the roles of Yum-Yum's friends Peep-Bo and Pitti-Sing.

The role of the Mikado, which demands a certain amount of presence and polish from an actor as well as some singing ability, was more than ably played by Peter Tyrell, a very contrasting role to his performance as the Chief Policeman in last year's "The Pirates of Penzance." His carriage and delivery were excellent.

The dramatic honours must surely go to Glenys Leigh however, in her role of Katisha, the ugly, blood-thirsty, daughter-in-law-elect, as from her first entrance she dominated the stage, the powerful voice and fierce manner awed the maidens and the audience alike. Glenys gave a most convincing performance, all the more creditable because her characterisation was quite unlike her true self.

The ladies and gentlemen of the chorus sang well, and for most part in tune, they were well disciplined, attractively dressed and maintained the Japanese air of decorum throughout. There were a great many acknowledgments to various people on the program and all of them deserve credit, but without the music there would be no show and one of the hardest working would surely be the pianist, in this case two, Noel Smith and Mike Downes, who together with Mr. Marsaus as musical director, helped to make this show a highlight in the Altona High School annuals.

—G. WINFIELD.

OUR WEALTHY CHILDREN

Collectively, our school children are multi-millionaires.

School bank figures released by the State Savings Bank of Victoria show that the savings of 568,614 Victorian school children reached a record \$8,045,948 at June 30, 1966.

This was an increased of \$374,694 over the previous year. The number of accounts rose by 20,457.

Disregarding in-operative accounts, the average balance per child was \$18.94.

McKINNON BALANCES HIGHEST

The largest aggregate balance was held by the 473 pupils with accounts at McKinnon High School, who had \$33,850.72 to their credit.

They were followed by Belmont (Geelong) High, where 600 pupils had balances aggregating \$32,581.

The State Savings Banks pays a commission of 5% in addition to normal interest rates, on all money deposited at the schools. This commission is used to purchase amenities for students and teachers and this year amounted to \$88,883.

The bank conducts school banks at more than 2550 schools throughout Victoria. In this total are 259 student-operated banks, conducted by secondary school pupils.

LOCAL SCHOOLS

Mr. E. G. Jemmeson, manager of the Altona branch of the bank, said today that during the year deposits at district schools attached to the local branch had considerably improved. The balances held by these schools totalled \$102,842.59. The students at Footscray High possess the largest total of balances, which amounts to \$21,411.27.

The largest aggregate amount of deposits for the years was lodged by Footscray High, with a total of \$3202.55. Details of schools, number of accounts, the balances and total amount of deposits during the year are as follows—

School	Accounts	Balances	Deposits
Altona State School	1032	\$9,524.64	\$2,460.97
Altona West State School	305	\$4,384.18	\$1,491.52
Altona High School	159	\$6,271.25	\$732.97
Altona East State School	520	\$7,126.99	\$2,095.32
Altona North High School	241	\$11,026.83	\$870.61
Altona North State School	444	\$5,590.03	\$2,113.96
Altona North Technical School	236	\$8,786.11	\$1,250.27
Brooklyn State School	511	\$6,800.60	\$2,386.57
Footscray High School	439	\$21,411.27	\$3,202.55
Seaholme State School	332	\$4,796.82	\$1,351.23
Spotswood State School	565	\$7,268.96	\$1,579.01
St. Mary's Primary School	210	\$1,484.01	\$325.66
Wembly State School	426	\$8,370.90	\$2,301.03
TOTALS	5420	\$102,842.59	\$22,161.67

Lib. Selection For Gisborne

Mr. J. J. Doyle, 31, has gained Liberal pre-selection for the new State Assembly seat of Gisborne.

Mr. Doyle, a solicitor, of Mt. Macedon and Malvern, is a Prahran councillor and president of the South Yarra branch of the Liberal Party.

He is married and has one son.

The north-west section of Altona Shire—bordered by the Geelong railway line and Kororoit Creek—are within the boundaries of Gisborne.

TWICE WEEKLY GARBAGE AT LAST

Altona will have a twice weekly clearance of garbage from October 1.

This was revealed by Cr. J. J. Ginifer in answer to a Junior Councillor's question at the last meeting of the Junior Council.

Cr. Ginifer said the council has decided on a twice weekly collection, the money has been allocated in the estimates for the 1966-67 council year and the service will commence from the beginning of October.

Huge Caravan For Altona Couple

A three-roomed luxury caravan worth \$2800 was delivered to Mr. and Mrs. Frank McGrath, of 11 Mulga Street, Altona, last Saturday.

The 25ft. long and 8ft. wide van is fitted with all modern conveniences, including a cocktail bar and shower. The three rooms are bedroom, kitchen and lounge.

The aluminium tandem-wheeled van is the maximum width and length allowed on the roads. Anything over 25ft. long needs a special permit everytime it is taken on the road.

Designed by Mr. Sid Hem, of Circle Caravans, Altona North, the caravan was built by Wayfarer Caravans Pty. Ltd.

The McGraths plan to tow their Wayfarer Rambler with a Nash Rambler station wagon.

PENGUIN ON OUR BEACH

A penguin on the Altona beach was the unexpected find of two very delighted small boys last Thursday afternoon.

Raymond and Michael Plant were walking near the pier with their parents, Mr. and Mrs. B. A. Plant, of 152 Blyth Street, Altona, when the 12in. high penguin was spotted.

Naturally the boys wanted to keep their unusual find as a pet, but Dad, being aware this is forbidden, had to dampen the boys enthusiasm with a firm "no."

After calling at the Altona police station, Mr. Plant contacted the Fisheries and Game Department and told them of the find.

3rd ALTONA CUBS AND SCOUTS

The 3rd Altona Group are happy to welcome Mr. C. Dusink, who has been appointed Group Scoutmaster. All scouts and cubs look forward to a long and happy association with Mr. Dusink, who has on numerous occasions shown his deep interest in the Group's movements.

A reminder is also given to ring 391-4452 if you have papers which you would like collected for the paper drive.

CUB PACK

After careful consideration it has been decided to close the waiting list for the Cub Pack and any inquiries regarding this list should be referred to the Group Scoutmaster at the telephone number listed above.

Congratulations are in order for David Townsend, who has passed his first star and John Townsend on gaining his second star. Good work, boys.

Best wishes also to Mark Murphy. Mark, recently invested, is looking forward to many happy days of cubbing.

A special Fathers' Night is planned for Monday, September 5, at 7 p.m. Please Dad, go along and join in the festivities with your son—if you enjoy yourself half as much as some of the Mums on their night it will be well worth the effort.

Life Savers Give Demonstration

The Altona Petrochemical Co. Pty. Ltd. held a "family day" at the Maidstone Street plant on Sunday to celebrate its fifth anniversary.

One of the main thoughts behind the idea was safety mindedness in all walks of life; at work, at home, on the roads, at school and at play.

The Altona Life Saving Club was invited to give demonstrations of methods of resuscitation and 12 senior boys and girls volunteered their services. They were Barbara Allen, Lynette Allen, Sandra Butters, Aileen Hudson, Deanne McIntosh, Pearl McCallum, Colin Cotter, Ian McCulloch, Bill Hulands, Tony Vanson, Roy Bailey and Henk Kip, who led the squad and gave a commentary during the demonstrations.

The methods used were the expelled air resuscitator (more commonly known as mouth to mouth) and the Sylvester Brosch Resuscitation of course is not confined to reviving apparently drowned persons. Many people who have suffered asphyxiation, electric shock, heart attack, etc., have been revived by some method or other of artificial respiration. A method which will be used more extensively this year will be the cardiac chest massage, but this requires more skill and knowledge.

Everyone should have some knowledge of mouth to mouth resuscitation as a few minutes of this method, applied immediately to an apparently drowned or asphyxiated person can mean the difference between life and death. The Altona Life Saving Club is willing to arrange demonstrations for any club or organisation whenever possible.

DONATION FROM A.P.C.

Last Tuesday evening Mr. Duncan Phillips, employee relations manager, representing Mr. R. W. Eustis, general manager of Altona Petrochemical Company, visited the clubhouse to present the club with a typewriter. Mr. Phillips was accompanied by his young son Bill, and Mr. W. Smith, employee relations officer who is also treasurer of the club.

Mr. Phillips conveyed the good wishes of Mr. Eustis to the club and said his company was very pleased to have been of some assistance over the past few years.

Mr. Phillips said he was glad the club had a competent typist in Miss B. Allen, who is minute secretary, as he did not think his company could supply a typist to go with the typewriter.

Mr. Bob Hazeldine, club secretary, accepted the gift in the absence of the president and thanked Mr. Phillips for the support A.P.C. had given the club over the past five years.

Mr. Phillips and his son were taken on a tour of the club premises and were most impressed with what they saw.

EXECUTIVE MEETING

The next executive meeting of the club will be held in the clubhouse on Tuesday, September 6, at 7.30 p.m.

ANNUAL GENERAL MEETING

The annual general meeting will be held in the clubhouse on Tuesday, September 20, at 7.30 p.m.

Junior Tennis Hard-court Titles

The Western Suburbs Tennis Association Junior Hardcourt Championships will commence on Monday and late entries will be accepted at the courts.

Monday, September 5, at Yarraville Tennis Club, Hyde St.—GIRLS SINGLES. Under 13 at 9; Under 14 at 10; Under 15 at 11; Under 16 at 1.30; Under 19 at 2.30.

At Rosamond Tennis Club, Rosamond Rd.—BOYS SINGLES. Under 13 at 9; Under 14 at 10; Under 15 at 11; Under 16 at 1.30; Under 19 at 2.30.

Tuesday, September 6, at Rosamond Tennis Club—BOYS AND GIRLS DOUBLES. Under 13 at 9; Under 14 at 10; Under 15 at 11; Under 16 at 1.30; Under 19 at 2.30.

Thursday, September 8, at the Yarraville Tennis Club—FINALS in all events with presentations at 4 p.m.

Altona Make Soccer History

By Beating Triestina on Saturday, Altona made soccer history—they are the first ever Division 2 club to reach the quarter finals of the Docherty Cup—the “plum” of Australian soccer competition.

They now go forward to play Slavia, the top team in Victoria, and according to the experts, the best in Australia. What a day this is going to be for the locals—they deserve this thrill of playing against such high class opposition.

An extra large following of supporters went with Altona to Ormond Park to see the fourth round tie and they got plenty to shout about. The Altona line-up was 1 Zammit, 2 Copley, 3 Rice, 4 Milloy, 5 Karamatos, 6 Grecco, 7 Rosenzweig, 8 Wilkie, 9 Black, 10 Herman 11 Coles and Jablonski.

In ideal conditions Altona kicked off and moved quickly into attack and Triestina, a Division 1 club and red hot favourites, were in all sorts of trouble. They were mesmerised at the pace of the Maroons, who were moving the ball from man to man at high speed and the Triestina goalkeeper brought great applause with a flying save from a Black “thunderbolt,” which seemed certain to score.

Wave after wave of attacks were set up by Altona. They were “burning.” Billy Coles came close to scoring and only a desperate last minute dive by the ‘keeper stopped Altona from scoring, but even his cat-like ability couldn’t prevent “Professor” Wilkie’s hard low drive from a Rosenzweig pass and the Maroons were one up amid great jubilation from their supporters.

Triestina, with five State League players in their line-up, were all out to get the equaliser, but Copley, Rice and Karamatos formed an unpenetrable barrier, which was a joy to watch. Mario Grecco, Altona’s playing coach, steadied the lads

down and Milloy, playing easily his best game, was spraying passes all over the field. Herman showed a pair of clean heels to two defenders, passed to Rosenzweig, Wally crossed over a beauty and a great header from Coles was well saved by the ‘keeper.

Zammit, in goal for Altona, did an acrobatic leap high over the top of the Triestina centre as he pulled in a screamer. Half-time came up with Altona leading 1-0.

Jablonski came on for the injured Rosenzweig and from the kick-off he passed to Herman. He pushed it back and Jablonski flicked the ball over the centre-half, ran round him and as the ‘keeper came out, this 17-year-old with the head of a veteran, coolly lobbed the ball over his head and into the net for number two.

“That’s the game won” thought the Maroon’s supporters. But what a change came over the game in five horrible minutes. Altona lost three goals. First a penalty for hands against Karamatos; second, a fierce drive which gave Zammit no chance at all; and third, a high ball which the Altona ‘keeper misjudged slightly and it sailed over his head to put Triestina in the lead 3-2.

Long faces and a stony silence befell the Altona supporters. This couldn’t be true! They were well on top and, no, it couldn’t happen. But it had, and

now all were to see the true qualities of this Altona team, fighting for every ball, roaring encouragement to each other, they stormed back into attack. Black blazed in a shot which just missed. Jablonski and Wilkie had good efforts well saved by the goalie.

Then came the old “Black magic.” Jimmy gathered the ball from Copley, raced down-field and from 20 yards out he slammed in an unsavable left foot drive to the corner of the net and it was level pegging once again.

What excitement as Altona went flat out for the winner. There was no holding these lads now. Milloy rounded an opponent, squared the ball to Herman, he ripped it through to Coles and Billy, limping on one leg, raised a final gallop, split the defence wide open and there was Mr. Noordenne’s birthday present to the club (Jim Black) standing waiting for the ball and he cracked it past the bewildered ‘keeper for the winning goal.

There was no supressing the Maroon supporters. They went wild and two minutes later, as the final whistle was sounded, they invaded the field and carried off this leg-weary, victorious team. Well done lads! You were magnificent one and all. The refereeing in this game was a treat and Mr. Alexander and his two linesmen must be congratulated on their performance.

RESERVES

Altona Reserve XI travelled to Brighton in the first round of the Henry Armstrong Cup and they won a hard fought match 3-1. Young Glen McFarlane shone, scoring a goal to make his first for the senior XI.

Space limits enlarging on this game, but like the Senior XI it was a very good effort and the lads are eagerly awaiting the next round draw.

ALTONA MAN DONATES 2000th PINT OF BLOOD

Mr. P. S. Parkin, the general manager of Petroleum Refineries (Australia) Pty. Ltd., presents the history of the Red Cross Transfusion Service to Mr. Jim Kretschmar.

The first local Altona man to join the Altona refinery in 1946 recently became the 2000th refinery blood donor.

He is Mr. Jim Kretschmar, who, along with 86 other donors at the refinery, lifted the total amount of blood donated since 1953 to 2020 pints.

This is the equivalent of three years’ contribution by any average sized country town.

The general manager of Petroleum Refineries (Australia) Pty. Ltd., Mr. P. S. Parkin, said he was delighted with the way the refinery personnel had responded to the need of supplying blood to the community.

“This is a most worthwhile community project and for a while due to illness and shift work there was the possibility that we could not get enough donors to stay as an established blood bank centre,” he said. “However, the response has been wonderful and many donors came to the refinery to give blood in their own time,” he said.

To mark the occasion of 2000 pints of blood being donated, Mr. Parkin presented a book, “An Abiding Gladness,” which is a history of the Red Cross Blood Transfusion Service, to Mr. Kretschmar.

Mr. Kretschmar, who lives at Hatherly Grove, Altona North, with his two sons and his mother, has contributed 42 pints of blood.

ALTONA HOCKEY RESULTS

C NORTH

Altona finished the season on top of the ladder, and, with only one loss for the year, look set to take out the final.

On Saturday the Blues played R.A.A.F. Academy. With one man short, Altona had to work hard for the goals scored, on a ground much covered with water.

R.A.A.F. forced two goals and narrowed the gap, but could not compete against the Altona defenders, while the forwards netted five goals.

Altona defeated R.A.A.F. 5-2. GOALS: H. Doerner 3 and E. McCauley 2.

BEST: H. Doerner, E. McCauley and C. Turner.

C WEST

Altona journeyed to Albert Park and played M.C.C. in the last game of the season.

From the start of play M.C.C. attacked the goals, but Altona's backs and halves battled hard to turn M.C.C.'s forwards. Then Altona started to work as a team up forward and they were awarded a penalty corner. W. Smith made sure of this goal—the first for the day.

M.C.C. were not to be out done by this goal and it seemed Altona took theirs too easy, for M.C.C. continually pressed for-

ward until good work by the M.C.C. forwards scored the equaliser, which made the score one all at half-time.

Altona made a few positional changes to offset the M.C.C. attack and with a good pass from S. Hyde to W. Davis, Altona's second goal came up and Altona lasted to defeat M.C.C. 2-1.

BEST: A. Voss and W. Smith.

Altona now play in the first semi-final against Essendon at 1.45 p.m. on Elsternwick Park No. 5 ground. All supporters are welcome.

D NORTH

Altona met University Blue at Altona and with a slightly re-arranged side, played with enthusiasm, backing up well and outpointed the opposition.

University scored the first goal midway through the first half, but after the change, Altona players all lifted themselves, showed plenty of fire, led in the race for the ball and their opponents became slightly rattled.

K. Waters, playing only his second game, took the ball to the circle and with a firm hit, scored Altona's first goal. The second was put through by R. Buchanan from three short passes following a free.

With a fast open game Altona attacked repeatedly and gave University few scoring chances.

J. Golden, who had changed to right wing, really threw himself into the game and with fine stick work, made many scoring attempts with passes from D. Reynolds. R. Waters at centre-half gave plenty of drive and encouragement and S. Curnow at left-half was in complete command and covered well.

The ever-reliable P. Egan was greatly assisted by fellow backman W. Henshall, who padded up and played an exceptional game as goalie. Right backman G. Ashman gave good support to half, P. Shields, who in turn fed many passes to forwards. B. Gardner, centre forward, was dominant in all attacking moves.

Altona 2, defeated University Blue 1.

AT LAST, a well-deserved victory—congratulations.

LADIES HOCKEY

B GRADE

After not playing for five weeks, Altona started off very slowly in the first half of this game.

The game see-sawed from one end of the ground to the other with plenty of shots for goal, but these were off target. This was the pattern of the game for the first half.

After the break Altona started to settle down and play as a team and had most of the play. The backs held Camberwell out and did not give them a chance. Then Camberwell started the rough play to try to put Altona off their game. But this did not work and made the locals all the more determined to win.

Some nice forward play and passing saw Kerry Smith pick up a pass going through and brought up the first goal of the match.

This was followed a few minutes later by a beautiful goal by Vi Smith. This lead was held until the last few minutes when Camberwell scored their only goal. Altona won the match 2-1.

GOALS: Kerry Smith and Vi Smith.

BEST: Sue Erickson, Margaret Lukoszek, Carol Relf and Elaine Bright.

Special mention to Julie Pratt, who came to B Grade from D Reserve and played as though she had been playing in the top team all season.

D GRADE

Altona, still at the top of the ladder and undefeated, played Glenroy at the J. K. Grant Reserve last Saturday.

Determined to do well in an endeavour to gain promotion, Altona's positional play was reasonably good, their stick work accurate and the forwards aggressive—but not always effective.

Attacking through the centre, Altona failed against the Glenroy defence until a ball off the goalie was smartly picked up by Sue Erickson, then being followed by N. Skolny, L. Szatkowski and R. Lukoszek from different scoring positions.

Glenroy attacked vigorously, but Altona, still not using their "wings," ran out with a 4-0 win, although with improvements at short corners and less vigorous hitting near the circle, better results could be forthcoming.

Letter to the Editor

Dear Sir,

The Altona Shire Council elections are over and I would like to congratulate the A.L.P. Candidates on conducting their campaign in a clean sportsman-like manner. A very carefully organised smear campaign was conducted against the A.L.P. Candidates and it is to their credit that they did not lower themselves to reply in kind.

The electors of Altona fell for the smear bait. They were asked to believe that the painting out of the Independent Candidates names was done by A.L.P. supporters. But consider these points—

(1) The names of the Independent Candidates were still clear enough to be read;

(2) The painting out gained sympathy for the Independents and raised anger against the A.L.P. Candidates. Whoever did the painting could have expected that this would be the result. Therefore, how could anyone believe that A.L.P. supporters would be stupid enough to do this?

(3) The painting out was no surprise to the Independent supporters because they immediately had posters up claiming that this was the result of hav-

Letter to the Editor

Dear Sir,

Through your paper, I would like to express my congratulations to the councillors re-elected in last Saturday's election, particularly to Cr. Les Crofts.

The result, although encouraging from my point of view, is disappointing in that there is still nobody in council to help Cr. Les Crofts to provide a stronger opposition. However, one must accept the umpire's verdict.

I would also like to publicly express my thanks to my many helpers and supporters. This letter, however, cannot express my gratitude for the job well done.

In conclusion, I would like to suggest that ratepayers continue to read these columns and learn of some doubtful "benefits" which ratepayers south of the Geelong line will get from their "promised" sewerage scheme.

I am, sincerely yours,

DOUG GRANT.

To the ratepayers of Altona, I wish to thank the ratepayers who helped me in my effort to enter council and those who supported me by their votes on election day.

A special word of praise to my committee who did a marvelous job.

The results of the election have proved one point. There is not one Labor councillor in office who can feel very happy at the thought of future elections.

Congratulations to Cr. Les Crofts on his re-election.

PAT LYNCH.

Dear Sir,

In my pre-election statement I asked the people of Altona to accept a challenge by voting for the three Ratepayer Candidates.

I wish to express my appreciation to the people of Altona for re-electing me to council for the next three years and for the wonderful support that they gave to the three Ratepayer Candidates.

I also desire, through the columns of your newspaper, to express my deep and sincere thanks to my committee and supporters.

LES CROFTS.

Dear Sir,

The unique Community Education Week sponsored by the Altona Shire Council and planned by local head teachers proved an outstanding success. One must agree with Mr. Thorpe ("Altona Star" 18/8/66) that the calibre of the teachers in our community is very high indeed.

Many of the week's activities revealed how dedicated and effective our teachers are. However, neither the events of the past weeks nor the obvious ability of our teachers should give us a sense of false security.

The staffing figures placed before the council by Cr. Ginifer and via the "Star" (4/8/66) to the public should concern all parents and people interested in the welfare of our community. Without experienced, qualified and able administrators at each level no management structure can reach its optimum efficiency. Many of our schools are struggling to cover up gaps in management and to maintain some stable school policy in the face of each changing staff.

We know know what can be done. Parents and people who were impressed with the performances of recent weeks will need to continue and strengthen their interest. Only by such constant interest and support can the children of Altona receive the education which is their right.

(Mrs.) MARGARET KIDD.

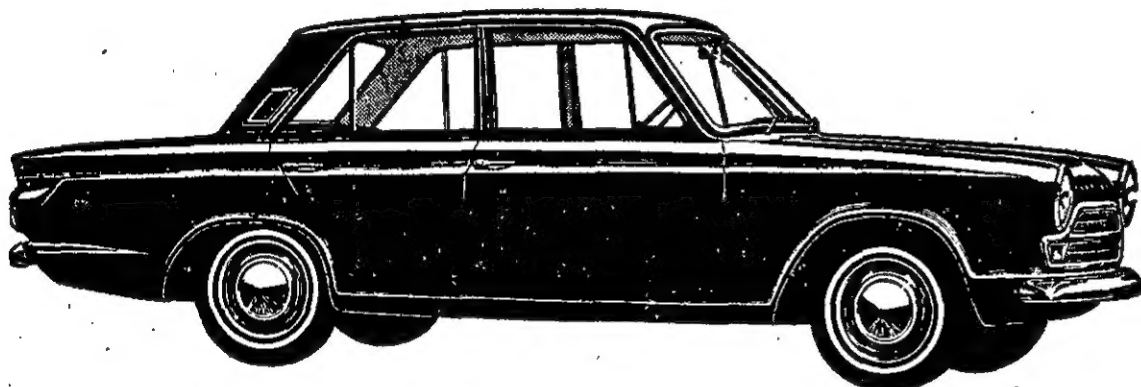

ing politics in councils so vote Independent. These posters were not the hurried scribble of surprised people caught unawares, but colourful, vivid, printed posters. The fact that the Independent supporters had time to get the posters printed indicates a prior knowledge that the candidates names were to be painted out. It is more than likely that the reason they knew it would happen is because they did the painting out themselves. Yet the voters of Altona fell for this carefully arranged smear campaign. Perhaps next time they will know better.

To my mind a fight should be fought cleanly. This is why I congratulate the A.L.P. Candidates. I have no time for the smear. This is why I withhold my congratulations from the Independent Candidates.

Yours faithfully,

JOHN CULLEN.

Go by VALUE..

If you're after the car that gives you the most features for your money as a family-sized economy-car, or as a business car for your fleet, go for Cortina. Cortina gives you 5 to 6 passenger room, a huge 21 cubic feet luggage boot, choice of 2-door and 4-door models, up to 40 miles per gallon, 6000-mile oil change and lubrication, 4-speed, all-synchromesh gearbox, and a choice of 2 race-bred engines.

THE BEST-VALUED CAR IN ITS CLASS!

1. Front wheel disc brakes—for faster braking, added safety; 2. Windscreen washers—for extra driving convenience and safety; 3. More engine power—more torque—for even higher performance and better low-speed flexibility; 4. Aeroflow ventilation—for air-conditioned luxury. Aeroflow draws fresh air in through

adjustable intakes on both ends of the instrument panel; 5. Air extraction vents—for a complete change of air inside every 40 seconds; 6. Smartly patterned vinyl upholstery—for added style and longer life; 7. Deep-dished steering wheel—for still more safety; 8. Lighting control antenna—for finger-tip lighting control; 9. Seat-belt anchorages—for Lap and Lap/Sash seat belts; 10. 6000-mile oil changes—plus 6000 miles between routine servicing.

There are four Cortina models — the "220" and "240" (shown right) 2-door sedans, the "440" (shown top) 4-door sedan and the GT 4-door sedan.

ALTONA ELDERLY CITIZENS' CLUB RECEIVES DONATION FROM A.P.C.

A large group of people, mostly seniors, posing for a group photo indoors. Some are seated at a long table in the foreground, while others stand behind them. A man in the center holds a large certificate or document. The setting appears to be a community hall or a similar indoor space with a patterned curtain in the background.

On Wednesday last the Altona Elderly Citizens' Club received a substantial donation from the Altona Petrochemical Company Pty. Ltd. Cr. G. den Dulk was presented with a cheque for \$45 to go toward the cost of the club's bus and also a four-drawer filing cabinet for use of the manager/secretary, Mr. B. Prismall. The photo shows Mrs. E. Hatfull, of Galvin Street, Altona, typist at A.P.C., surrounded by many happy club members, presenting the cabinet on behalf of the company.

OPENING OF NEW KINDERGARTEN AT ALTONA N.

Pre-school children stand in front of their mothers at the official opening during Education Week of the new Ronald Avenue Kindergarten in Altona North. The kinder. was declared open by the Shire President, Cr. S. G. McIntosh, who is standing in front to the right of the picture. On the left of him is Miss I. Willing, the kindergarten director, and on the right Mr. H. T. Message, the district inspector of schools. Behind them are Crs. G. den Dulk and J. J. Ginifer.

WESTERN SUBURBAN FOOTBALL LEAGUE

Newport Too Good For Centrals

In the last round of open age matches, Newport defeated Central Altona quite easily and Maidstone proved that they were the right team to be in the four with their good win against Laverton, with whom they have been battling for fourth place throughout the season.

Kingsville and South Kingsville Rovers put on a good game and the latter showed that with the experience gained, their young side will provide stiffer opposition next year. West Newport, with only one defeat during the season, finished up with a demoralising win over Albion.

Central Altona UNDER 18, showing improvement on their display in the second semi-final last week, defeated West Newport in the final. West, without the injured Svorinich in the team and captain Frank Joyce carried off in the first quarter (broken leg), strove hard to overcome Centrals seven goals to nil lead at the first change, but failed by four goals. Star ruckman Lawrren gave Central Altona great drive and with Martin in dazzling form on the half-forward flank, they kept West's backlines under pressure for much of the game.

Dennis Vanstone, who usually initiates many West Newport attacks, was closely tagged all day and his effectiveness nullified to some extent. Hill, playing on the half-back flank for the losers, repulsed many drives by Centrals and in so doing put West into attack.

The UNDER 16 preliminary final was one sided with the bigger West Newport side running away from the younger Altona, who should be well satisfied with their first season's effort and can look forward to better results next year.

WESTERN SUBURBAN FOOTBALL LEAGUE

FINALS AT NEWPORT NEXT WEEKEND

Two games between four talented teams will be played at Newport Oval next Saturday morning and Sunday afternoon for premierships.

The first is between Werribee and West Newport UNDER 16 teams which have been much stronger than the other teams in that grade this year. Although Werribee inflicted the first and only defeat on West in the second semi-final, the lesson learnt by the latter will have the desired effect and Werribee may not be able to control the game as before.

However, having tasted victory over the supposed "unbeatable" Werribee are confident of repeating that win. With a number of senior prospects in both sides and the coveted flag as a reward to the winner, a top-class match is assured.

The second grand final takes place on Sunday between Altona, unbeaten, and Central Altona in the UNDER 18 grade. In their previous encounter Centrals were slow to get going, but appear to have remedied that fault shown by their first quarter performance against West Newport in the preliminary final.

They will still have to overcome the "never say die" attitude displayed at a times by Altona who, with a strong goal to goal line, will be attacking constantly. The form of Central Altona last week indicates that there will be little between these teams at the finish. Both teams are in the hands of coaches who study the finer points of the game so the match will be of high standard. Players of both these teams have also come under the notice of senior clubs. Sandwiched between these two grand finals is the OPEN AGE first semi-final between Central Altona and Maidstone on Saturday afternoon and this, with the other two matches, will provide junior football at its best in the one weekend.

WESTERN SUBURBAN F.L.—OPEN AGE MAIDSTONE DOWN LAVERTON

MAIDSTONE 7-4 9-7 10-12 17-16—118
LAVERTON 3-2 6-5 10-6 11-9 — 75

GOALS (Laverton): Noel West 5, Garry Hoggar 2, John Pyne 2, Alan Fraser and Gary Morrison. **BEST (Laverton):** Graeme Dickson, Hank Dunstan, Alan Fraser, John Thomson and Garry Hoggar.

Saturday was a perfect day for fast, open football. The ground was good and long kicking and high marking was a feature of the game.

Maidstone won because they were more stable in attack and their rovers dominated the game with their pace and break-away style of game.

Laverton must be congratulated for their tenacity in keeping the game right up to Maidstone for the full 100 minutes.

Graeme Dickson, captain-coach of Laverton, should find that next year will bring him and his team much greater success than this year, particularly with the introduction of at least seven new players from the Under 18 team, who have all played in the senior team throughout the year at various times for experience.

Last Saturday Maidstone were first into attack.

With fast, systematic football, they raced away to an early lead, kicking 5-1-31 to 0-1-1 in the first 15 minutes—it looked bad for Laverton.

The Magpies recovered and began to score. Garry Hoggar and Alan Fraser replied for the Magpies, keeping them in the game. Graeme Dickson and Hank Dunstan were starring for Laverton.

The second quarter started and both sides went in hard to break clear.

DARTS DATA

With no shock defeats in last week's round, no appreciative change in the four berths of the Western Suburbs Darts Association's three zones were recorded.

RESULTS

ZONE 1

Seaholme d. Deer Park 4-2.
Bristol d. Racecourse 4-2. Commercial d. U.C.A. 4-2. Pioneer d. Newport 4-2. Laverton and Central drew 3-3.

ZONE 2

Yarraville d. Plough 5-1. Central d. Footscray R.S.L. 5-1. Goodrich d. Altona R.S.L. 4-2. I.C.I. d. Exchange 5-1.

ZONE 3

Bristol Patrons d. Sunshine R.S.L. 5-1. Plough d. Werribee 5-1. Point d. Bridge 4-2. Pioneer and Footscray R.S.L. drew 3-3. I.C.I. and Altona R.S.L. drew 3-3.

NEXT GAMES

Games for the week ending September 9 (with likely winners in bold type) are as follows—

ZONE 1

WED., 7th: Seaholme v. Racecourse. THURS., 8th: Bristol v. Commercial. FRI., 9th: Pioneer v. Central. Newport v. Deer Park. Laverton v. Union Carbide.

ZONE 2

WED., 7th: Plough v. Pioneer. THURS., 8th: Goodrich v. Yarraville. FRI., 9th: I.C.I. v. Footscray R.S.L. Exchange v. Altona R.S.L. Central have the bye.

ZONE 3

TUES., 6th: Point v. Central. WED., 7th: Altona R.S.L. v. Bristol Patrons. THURS., 8th: Werribee v. Bridge. Racecourse v. Plough. FRI., 9th: Footscray R.S.L. v. Sunshine R.S.L. I.C.I. v. Pioneer.

SATURDAY DARTS

Last week's weekly winner was Abe Wales, of Central Hotel, which won him a cake dish and server. Abe now qualifies for the final eight.

Once again, players arrived late, and it was ascertained that a lot had been working, so it has been decided to change the starting time from 2 p.m. to 3 p.m.. Nomination time is 2.30 p.m.

COUNCIL MEETING

Clubs are reminded that the next council meeting will be held at the Homestead, Queen Street, Altona, on Tuesday, September 6, at 8 p.m. At this meeting the proposed V.D.A. constitution and playing rules will be discussed. Clubs who wish to nominate a member for the council are requested to be in attendance.

PRESENTATION DANCE

Through unforeseen circumstances, the venue for the annual cabaret dance and presentation of trophies will have to be changed. However, members are advised to reserve their tickets, which are now available from the secretary, at \$3 a double and \$2 a single.

V.D.A. MEETING

Delegates are reminded that the next meeting of the V.D.A. will be held on Tuesday, September 13, at the East Brunswick Dart Club, 302 Lygon Street, East Brunswick, at 8 p.m.

WEST NEWPORT U.16's TOO GOOD

Altona Under 16's found West Newport far superior in Saturday's preliminary final.

The high marking and teamwork left the smaller Altona side floundering all day. The locals are to be congratulated on reaching the preliminary final in their first year in the competition and with a few new players next year will, we feel sure, finish higher than in their first year.

The Altona Under 16 congratulate the Altona Methodists on attaining yet another premiership—their second in succession.

All under 16 players, do not forget, Monday, September 5, in the Altona R.S.L. Hall, at 8 p.m., for the presentation evening.

All players are asked to bring along Dad, if not, one friend per player.

A special thanks to all those who assisted the lads in one way or another throughout the season.

GOALS (Altona): Walsh and Male.

BEST (Altona): Thompson, Patton, Male, Shannon, Walsh and R. Zapart.

Altona Music Society – A Unique Society

Formed In Altona

Music societies are not new, but a music society covering all forms of musical expression, including pop music, is certainly unique, but nevertheless such a society has now been formed in Altona.

The Altona Music Society intends to provide for the people of Altona a means of learning, playing and singing music under expert guidance. At first sight this aim seems very ambitious, but given the support that it deserves, the Altona Music Society could be a major asset to the community.

Let us examine its aims in detail—first, the formation of a choir.

There are certainly enough people in Altona who enjoy singing, but what standard is required to become a member? We understand that choir members will not be asked to audition and that the choir will be singing modern music from recent musical shows. The main aim of the choir then would be to provide enjoyment in singing, rather than to form an expert choir, which is certainly a practical idea.

The second section of the A.M.S. deals exclusively with modern popular music and is designed to encourage teenagers to form modern music groups and to provide a meeting place where

young performers can practise and be guided in the best methods of playing popular music in groups.

Teenagers interested in composing music will find the A.M.S. an ideal workshop to perfect their compositions and receive instruction in the necessary theory to score their works. Any activities for teenagers that provide enjoyment and education at the same time should be supported and be given every encouragement. The formation of modern music groups within the A.M.S. is perhaps the most far reaching and important activity of the society.

Yet another activity of the A.M.S. is the proposed formation of a light symphony orchestra.

This is the most ambitious objective of the society. Will Altona ever have a light orchestra? The A.M.S. says yes, but not in the immediate future. Their plan is to have an orchestra in four or five years time. How then will this be possible? Step one would be the raising of finances to purchase musical instruments to loan to youngsters interested in music, the A.M.S. will then teach these students how to play their various instruments. This idea of course has merit: it encourages youngsters to play music, it provides instruments and lessons without direct cost to parents, and gives Altona its future orchestra.

Music lessons will be available free of charge through the A.M.S. to citizens of all ages. Realising that certain musical instruments can be taken up later in life and a fair playing standard reached, the A.M.S. would welcome adults who were instrumentalists in their youth and again wish to play.

If any members of the public have musical instruments they no longer have use for, the A.M.S. would be pleased if they would donate them to the society so that the instruments could be loaned to youngsters who are in-

terested in playing, but do not have the means to purchase instruments.

Having reviewed the aims of the A.M.S. in detail, the formation of a choir, orchestra, music classes and pop groups, it is obvious that here is a society that intends to aim high, but with a down to earth approach, with these aims the A.M.S. deserves the most active support from all members of the community and the Shire council.

Our civilisation could be called the square box era, but here is an opportunity for any citizen of Altona interested in music to get away from canned entertainment and enjoy their own efforts.

For those interested activities of the A.M.S. commence with a members getting to know you dance at the Civic Hall at 8 p.m. on Monday, September 5.

There will be no charge for admission and children are welcome.

Membership forms can be obtained from both Altona libraries.

WORLD ESSAY CONTEST TO BE CONDUCTED BY LIONS—\$25,000 GRAND PRIZE

The youth of Altona have been given a challenge to develop a plan for world peace by their local Lions Club—a challenge that could earn one of them a \$25,000 educational and/or career assistance grant.

The Altona Lions Club, together with Lions Clubs throughout the world, is sponsoring a world-wide essay contest for the world's youth on the most important world subject today—peace. The contest offers awards totalling \$50,000, including a \$25,000 first prize, eight semi-final regional awards of \$1000 each and travel expenses for the eight winners to Chicago, Illinois, in July, 1967. At that time, the first prize winner will be chosen from the eight regional finalists. Also, more than 20,000 local, district and multiple district awards will be made.

"We are hopeful one of our young people will win this world-wide prestige award," president Allan McDonald of the Altona Lions Club said in announcing the contest yesterday.

The contest, open to young people who will be 14 but less than 22 years of age as of

January 15, 1967, was first announced by the president of Lions International during the annual international convention in New York.

The contest, sponsored by more than 20,000 Lions Club in more than 130 countries in the free world, will be the largest qualified to sponsor such a contest.

"The purpose of the contest is to develop a formula for world peace because we feel peace is attainable. We want to alert our youth to the need for world peace and focus attention on that important goal," said Mr. McDonald.

In announcing the contest internationally, the president of Lions International, Edward M. Lindsey, said that Lions International, the world's largest service group organisation, is well qualified to sponsor such a contest. The world-wide representation of Lions, different nationalities and their participation in international humanitarian programs, were their credentials for the patronage of the contest.

In outlining the scheme Mr. McDonald said, "Our club's winner will advance to Lions District 201F competition in his/her effort to qualify for the multiple district contest. Judging will fall into four categories—75% of the essays points will be devoted to contest, 10% to organisation, 10% to style and 5% to mechanics (the mechanics segment will be used to appraise the grammatical construction of the essay).

"Three judges will be appointed to evaluate entries submitted to our club," Mr. McDonald said. "If our winner can advance through the judging stages up to the world's final, he/she will receive an expense paid trip to Chicago to attend the Lions International 50th Annual Convention for the final judging of his/her essay, in addition to the \$1000 regional award."

Mr. McDonald said he hoped local young people would accept the challenge and enter his club's section of the contest. Closing date for the club's contest is December 10, 1966. Entrants should contact one of the members of the Altona Lions to get full details of the contest. Each applicant will be limited to one entry, with one winner eligible to compete in the Lions District 201F contest. The winner of the district contest will be entered in the multiple district contest. The winner of the multiple district contest will be entered in one of the eight world divisions.

suddenly you're shapelier in the New PLAYTEX® "CROSS-YOUR-HEART" Bra

Now—try this new way to accent your figure. Cross your heart. See? You're suddenly shapelier. Education Week — Important Discussion

(Continued from Page 2.)

... Institute and became a Working Men's College, where men gathered at night. The Bendigo School of Mines started in the same way.

The churches, as always, were early with education. Victorian culture came from Europe.

Out of all this Mr. Belshaw contends "Victoria has rather a sorry mess, a complicated system with some wonderful aspects but that needs some patching up."

For the sake of the future it will have to be pulled together and get meaning, be organised, and the best parts be strengthened.

However, Victoria leads the way in primary education. Victorians should be proud of their primary standard of teacher training. It was one of the best in the world until the early 1930's when it was allowed to slip.

Kindergartens are wonderful. Also, people should be justly proud of the correspondence school which is a "wonderful Australian product." Thousands of students here and overseas use its facilities.

The school of radio broadcasts correspondence lessons to remote areas. In general classroom and know-how techniques in Victoria have been good.

But there are some sorry mistakes which require the good will of residents to get them fixed rapidly. The people should know fragmentation of our system is caused by having high, technical private and church schools.

At R.M.I.T. are students from all these schools. The differences tends to make difficulties which worry Mr. Belshaw.

Students should not have to decide at Grade 6 level between a high or technical school. He believes these schools are at loggerheads and for this important decision they should come together.

Mr. Belshaw considers the examination system far too much orientated and that the best things learned in schools often cannot be measured by examinations.

Primary education is good in Victoria but education at the secondary level is too packed in.

Learning required today (for example science at the university) is frightening.

Present day children are expected to reach and go to university. It is necessary for as many as possible to do tertiary courses. At the university 70% of students are not paying fees but at R.M.I.T. education for students is free of fees.

But there are many students who cannot cope with this level of training.

LEARN HOW TO LEARN

Education does not mean instructing or telling. It means educating, growing and developing. Many things now being taught will become out of date. Students must be helped to learn how to learn.

The average student not able to go to university should not be treated as a failure. Their talents, interests and abilities should be considered so that they are not looked on as failures.

Only 22% finish difficult courses. Many students are not mature enough to cope with the courses. If a child fails it may mean the student was not ready for the course. Thus they are being stifled.

However, if 85% stay at school and learn how to learn, failure at examinations is not important concluded Mr. Belshaw.

NEED FOR LIBERAL EDUCATION

In this age of technology there is a danger of yielding to technological hypnosis when management (even in an industry that relies on scientists and engineers) requires a broadly creative mind, said Mr. E. Angus Jones, chairman of the Mobil Group.

He said a balance is needed between technical and liberal education and he is convinced that business in Australia wants more and more graduates and diplomats with a broader education than before.

Australia must have population, water, money and teachers, water to grow food for the increasing population and to increase exports; money, money and more money has to be found to bring ideas to fruition; more people are needed; and men of wide vision who are highly trained, are of high character and think positively.

Education should be producing trained personalities.

The business world is seeking to recruit trained personalities who will be presented with far greater opportunities than their fathers and grandfathers.

Mr. Jones stressed that industry must have the technical man but as business grows and develops new characters of leadership will be needed.

He considers a liberal education should include a knowledge of others, of physical and biological work, culture, history, religion, attainment of skills and the ability to think clearly.

FUTURE PLANNING FOR MELBOURNE

Melbourne's growth has highlighted the need for an early decision on the manner in which the metropolis is to be permitted to grow.

The Melbourne and Metropolitan Board of Works in the new issue of "Master Plan Review" draws attention to its 1959 and 1962 reports to the government which suggested four possible alternatives for the future.

Attention was drawn to the inadequacy of the present metropolitan planning boundaries, the need for their extension if metropolitan planning is to be effective, and the possible lines of future expansion open to metropolitan Melbourne when it passed the 2,500,000 population mark.

The various possible alternatives suggested were:—

- The development of new towns.
- The development of satellite communities beyond a "green belt."
- Continuous but controlled outward expansion.

• Development of a radical expansion with substantial "green wedges."

The need for an early decision is again stressed as Melbourne will reach the critical point of 2,500,000 people in about 1970.

The Review shows the route proposed for the Tullamarine Freeway and the second stage of the South Eastern Freeway, also a view of what is to be the St. Kilda Junction of the future.

The transportation problem of the future is immense. During the 10 years to 1961, six out of seven new jobs created were located in suburban areas. The city remained static. Suburban workers travelling by car found their employment jumped from 18.4% in 1951 to 49.6% in 1961.

It appears that major road works throughout the suburb will have to be undertaken in the near future to cater for the huge increase in vehicular traffic.

Copies of the report are available from the Melbourne and Metropolitan Board of Works, 110 Spencer Street, Melbourne.

Your chance to live in

PROGRESSIVE ALTONA . . .

14 Luxury Self Cont. Flats To Let

Available first week in September.

Features include:—

W/W carpets, light fittings, TV connections, tiled kitchen, BIR, venetian blinds, covered car ports 1 minute from station. Ideal for business or retired couple—reasonable rents.

Inquiries to the Agents:

H. C. KIM,
REAL ESTATE AGENT AND AUCTIONEER,
86 Railway St., Altona. 65-8904.

HOUSES REQUIRED FOR SALE

IN ALTONA AREA

IMMEDIATE INSPECTION BY AN EXPERIENCED SALESMAN.
